

What does Ephesians say about unity in the church?

1. God has created the Church as the united body of Christ

2. God has made provision for the Church to be united (experientially)

3. Satan works to destroy the unity of the body (or to create a counterfeit unity)

4. What is the first step for the body when disunity develops?

5. What is the second step for the body when disunity develops?

6. Are there any steps that the body should avoid after disunity develops?
